Interested in new and emerging technologies? Then come join us in a new and exciting research study!

The Weill Cornell Medicine Center on Aging and Behavioral Research is conducting a research study focused on older adults and technology adoption.

- The study involves attending one 3-4 hour in-person session.
- You will be compensated up to $40 and a roundtrip MetroCard for each visit ($5.50 value) for your participation.
- To qualify, you must be at least 65 years old and speak English.

If you are interested in this study, please call us at (212) 746 - 9956 for more information. We look forward to hearing from you!
